Re: Randall Swetnam

To Whom It May Concern:

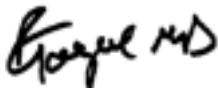

I am writing on behalf of Mr. Randall Swetnam. I have known Mr. Swetnam for over 15 years. This has involved a professional relationship in the medical field for several years, as well as seeing Randy in community and volunteer activities over many years.

It is with confidence that I can provide a character reference. Randy is a man of integrity. I know Randy to be diligent, caring, and motivated for success and excellence in all he does. Randy is known to me as one dedicated to serving others in his professional and personal endeavors and following through on his commitments.

I believe Randy is the type of individual that you can have confidence in for a lease or other business agreement.

If you have other questions, I would welcome a phone call.

Sincerely,

Rick Tague, M.D.
